# School Report

---

The number of pupils enumerated by the Truant Officer between the ages of five and sixteen is ninety-six.

The schools have been running very smoothly and very satisfactorily. The Committee have been very fortunate in securing the most competent teachers, and from whom the best results follow. Mrs. Pauline B. Ellis was in charge of Crawley's School the past year, and Miss Lucy J. Jacobs, of Marshall Corner School. Miss Althea Lyford taught the Fall and Winter terms at North Road School and Miss Pauline Robinson Spring and Fall terms at South Road, but owing to sickness Miss Dora Robinson had to take her place during the Winter term.

The School Board appreciates the interest the parents have taken in the schools and especially those who have tried to have their children in school every day, which is very necessary. Otherwise we are robbing the children of what is due them.

This year we received from the state one hundred and five dollars for average attendance, which is the most we have ever received, and hope it will be more next year.

May Brentwood lead in the matter of schools.

During the year a new fence has been built at the Marshall Corner School and a new one is much needed at North Road and some minor repairs at South Road are also needed.
